

Fresno Audubon Society Field Trip Guidelines during COVID-19
November 2021

Vaccination/Screening

1. Participants must be vaccinated.
2. Participants must pre-register using the FAS event registration system.

Registration

3. Participants must self-screen their own temperature before the outing and must not attend if they are feverish.
4. Participants must consent to Fresno Audubon Society's Liability Waiver by signing the Event Sign-Up Sheet provided by the trip leader.

Day of Outing

5. Social distancing is encouraged.
6. Participants are encouraged to wear a mask.
7. We will not be sponsoring car pools.

Days Following Outing

8. Participants should contact their trip leader should they test positive for COVID-19 within three days following the outing.
